Home Page

When you log in, you'll see your personalized home page. Across the top, you have quick access to the other pages of your portal.

Your accounts and total portfolio value are listed front and center. Next to your accounts, you'll also find your top holdings for quick reference.

You can stay connected to your financial team with clickable links to phone numbers, emails, and office locations.

You can also quickly contact your advisor while on the go. In addition to contacting us, we will send you communications and updates from your team—all directly within the portal.

Portfolio

The Portfolio dashboard is where you can view additional details about your portfolio. The dashboard gives you a dynamic overview of your portfolio, with performance cards highlighting important information about your portfolio.

To get even more detail, you can click on the title of each card. You can also use the drop-down menu to switch between the different cards quickly.

It is fully customizable, using the filters to select specific date ranges, portfolios, or accounts.

Vault

Securely sharing and managing documents is key to working with your wealth management team. The Vault page is where you can keep track of all your important financial and legal documents.

From here, you can organize your documents into folders, drag-and-drop to upload new documents, and easily move files from one folder to another.

The Vault is also an area where we can share documents with each other through the Shared Folders option.

From the Statements and Reports folders, you have quick access to view investment-focused reports created by your financial team.
